In accordance with the LVS constitution at each AGM all committee members have to be re-elected. We do need to have both a more equal representation from our village residents with more lady committee members. Please ladies put yourselves forward, this is not an onerous or regular task

but, for our village to maintain its valuable environment and to progress successfully, we do need volunteers to fill all these positions for the future and the benefit of our community.

Please contact any of the following existing LVS Committee Members if you can offer your services for the next year prior to our AGM.
