VOTING RIGHTS AT STEERING GROUP MEETINGS

It is proposed that at the Steering Group Meeting to be held on Thursday 9 August 2012, it be resolved that only those stakeholders identified in paragraphs 1, 2 and 3 above who are in attendance, shall be eligible to vote at Steering Group meetings, as people within those categories will be those most directly affected by the contents of the Neighbourhood Plan. Only those aged eighteen years or over may vote and there will be only one vote allowed for each business. Each person in attendance shall have one vote only.
