Q1 Guiding Principles

Views expressed as a %

Q1.	In preparing the Neighbourhood Plan the Steering Group developed a number of Guiding Principles.	Strongly agree	Agree	Disagree	Strongly disagree	SA/A	D/SD	Difference
1a	To develop a safer and more secure environment for all villagers with particular regard to highway safety.	80.3	19.0	0.7	0.0	99.3	0.7	98.6
1b	To maintain and protect the distinctive character, amenities and environmental assets of the village with particular reference to the Conservation area.	83.8	15.5	0.7	0.0	99.3	0.7	98.6
1c	To improve the quality of life for all people who live and work in Linton through the development of a stronger community spirit, greater cohesion and more visible pride in the village environs.	71.8	26.8	1.3	0.0	98.7	1.3	97.3
1d	To support the sequential approach to land available for housing development; using the allocation order brown field (previously developed land), green field and finally green belt.	71.7	18.6	5.5	4.1	90.3	9.7	80.7

- There was almost unanimous agreement with the guiding principles.
- Some confusion was highlighted - the difference between 'green field' and 'green belt'.

Discussion

Ian Mackay Meeting- Key Points

- Legal issue - Collingham with Linton Parish Council
- IM confirmed that we can change any PSA site rating
- Now only 3,400 houses required for Outer N.E.
- Bramham site is still possible - 2,000 houses
- Still may be a shortfall of houses - then will look at most sustainable sites in Outer N.E.
- LCCP Site Allocation timetable likely to slip
- LCCP will reject any planning application - refer back to local NP.
