Halloween at Linton Memorial Hall

Saturday 28th October saw spooktacular goings-on at the village hall as the place was awash with draculas witches and ghosts! Some amazing highly creative costumes were on show which all added to the 'spirit' of things.

Excellent food from Jayne at Quince Catering formerly of Moo in Boston Spa and entertainment by AJ aka Robbie Williams and DJ Darren to dance the night away.

It was a great turn out and much appreciation is given to all those who supported us on our quest to bring the hall into the 21st century. Funds raised amounted to £2466 which will be used to replace all the hall curtains with attractive blackout roman blinds.

Please keep supporting us and look out for our next event.
